

2025 Delivery Guidelines

NOTES:

Delivery Minimums for all orders \$500 / 30 flats. \$25 charge for below minimum orders for your area. Orders over \$2000 are free freight.

\$25 freight credit for online orders—does not apply to free freight OR below minimum orders.

Prepriced orders not in by deadline **will not** be priced.

Orders for Monday are pulled Friday. Truck leaves our dock on Sunday morning. Please note order deadlines above to insure your order makes it on the truck. If you are open to a Sunday afternoon delivery please let our sales staff know.

Online inventory is always "live" and what is currently in stock. "Paper" version of availability

Deliveries start at 9 AM and go until 5 PM. If you are available for early deliveries let us know and you will often be routed the first stop on the truck. From time to time traffic will cause delays and a driver may call to see if an after 5 pm delivery is acceptable. This is infrequent but we appreciate your help if we should need it.
